COMMUNITY STIGMA EDUCATION PRESENTATION: ENDING THE STIGMA OF ADDICTION

Learn about the myths and facts of stigma, and its impact on the lives of those who are struggling with substance use and what you can do to end stigma. A free in-person or virtual presentation can be scheduled for your group.

SAFEGUARDING YOU & YOUR FAMILY FROM THE DANGERS OF UNUSED MEDICATIONS

Dispose Rx was designed specifically to help solve the problem of left-over medications and mitigate associated risks by allowing you to dispose of your unused medication in the convenience of your home. Find out how you can receive and learn about Dispose Rx packets.

NALOXONE (NARCAN) EDUCATION & DISTRIBUTION

Naloxone (Narcan) is a medication used to reverse opioid overdose. An overdose is a medical emergency – call 911 immediately.

Find out how you or someone you know can receive Naloxone (Narcan) and the education on how to use it.

Initiatives made possible in partnership with St. Luke's University Health Network, Pocono Mountains United Way, the AllOne Foundation; and Monroe, Carbon, & Schuylkill Opioid Task Forces.
